

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shawn Hebert  
DOCKET NO.: 19-46462.001-R-1  
PARCEL NO.: 02-14-110-015-0000

The parties of record before the Property Tax Appeal Board are Shawn Hebert, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,836  
**IMPR.:** \$29,138  
**TOTAL:** \$33,974

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 58-year-old, two-story, single-family dwelling of frame construction with 2,160 square feet of living area. Features of the home include a full unfinished basement, central air conditioning and a two-car garage. The property has a 9,672 square foot site and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation. In support of the market value argument, the appellant submitted four comparable sales with varying degrees of similarity to the subject. The appellant did not report the exact proximity of the three of the comparables to the subject but disclosed that all the comparables had the same neighborhood code as the subject. The comparables are described as single-family dwellings of frame construction. They sold from May 2017 to December 2017 for prices ranging from \$98.48 to \$143.65 per square foot of living area,

including land. Based on the submitted evidence, the appellant requested the subject's total assessment be reduced to \$21,270.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$33,974. The total assessment reflects a market value of \$339,740 or \$157.29 per square foot of living area, land included, using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales comparables. The comparable sales occurred from March 2017 to September 2019 for prices ranging from \$162.50 to \$171.57 per square foot of living area, including land. The board reported that two of the comparables are located in the same subarea as the subject, one comparable is located within a ¼ mile radius of the subject and one is located within a block of the subject. All the comparables have the same neighborhood code as the subject. The board of review requested that the assessment be confirmed.

In written rebuttal, the appellant argued that the board of review's suggested comparable properties fail to support the assessed valuation because of differences in size and amenities between them and the subject property. The appellant reaffirmed the request for an assessment reduction.

Prior to a scheduled January 3, 2024, hearing before a PTAB Administrative Law Judge the parties entered into a written agreement to waive hearing and have a decision rendered based on the previously submitted evidence.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 through #4 and the board of review's comparables #2 and #3. These comparables had sales prices ranging from \$98.49 to \$166.67 per square foot of building area, land included. The subject's assessment reflects a market value of \$157.29 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. After considering all the comparables submitted by the parties with emphasis on those properties that are more proximate in location and with similar features relative to the subject and after further considering adjustments to the best comparables for differences from the subject, the Board finds the subject's improvement assessment is supported. The Board finds that the appellant failed to demonstrate by a preponderance of the evidence that the subject was overvalued and, therefore, a reduction in the subject's assessment commensurate with the appellant's request is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
