

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Lane
DOCKET NO.: 19-47463.001-R-1
PARCEL NO.: 13-15-231-010-0000

The parties of record before the Property Tax Appeal Board are Mike Lane, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,218
IMPR.: \$24,938
TOTAL: \$29,156

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 108-year-old, two-story multi-family dwelling of frame construction. Features of the home include 2,016 square feet of living area, a full basement apartment and a two-car garage. The property has a 3,125 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information about four suggested comparable sales. The comparables are described as multi-family dwellings of either frame construction or masonry construction. They range in age from 94 to 140 years and in size from 1,764 to 3,712 square feet of building area. They sold from March 2016 to October 2019 for prices ranging from \$86.27 to \$125.00 per square foot of building area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,156. The subject's assessment reflects a market value of \$291,560 or \$144.62 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted limited information about on four sales comparables. The comparables are described as two-story, multi-family dwellings of frame construction or masonry construction. The improvements were located within a ¼ mile radius of the subject. The improvements ranged; in age from 46 to 110 years; in size from 1,711 to 2,662 square feet of building area. The comparables sold from September 2017 to June 2019 for prices ranging from \$190.55 to \$242.30 per square foot of building area, land included.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds that the best evidence of market value to be *the board of review's sales comparables #2 and #3 and appellant's comparable sales #1, #2, #3 and #4*. These comparables sold for prices ranging from \$125.00 to \$211.52 per square foot of building area, including land. The subject's assessment reflects a market value of \$144.65 per square foot of building area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
