

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joanne Nemerovski
DOCKET NO.: 19-47801.001-R-1
PARCEL NO.: 14-33-114-043-0000

The parties of record before the Property Tax Appeal Board are Joanne Nemerovski, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,144
IMPR.: \$48,262
TOTAL: \$60,406

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story townhome of masonry exterior construction with 1,599 square feet of living area. The townhome is approximately 49 years old. Features of the home include a basement with finished area, central air conditioning, and one fireplace. The property has a 1,104 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same neighborhood code as the subject. The comparables are improved with 2-story¹, class 2-95 townhomes of masonry exterior construction that range in size from

1,216 to 1,440 square feet of living area. The comparables range in age from 31 to 47 years old. Two comparables each have a basement with finished area and two comparables each have a concrete slab foundation. Each comparable has central air conditioning. Three comparables each have one fireplace. Two comparables each have a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$28,816 to \$36,894 or from \$22.98 to \$26.83 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$40,231 or \$25.16 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,406. The subject property has an improvement assessment of \$48,262 or \$30.18 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same neighborhood code as the subject property. The comparables are improved with 3-story, class 2-95 townhomes of masonry exterior construction with 1,608 square feet of living area. The homes are 41 years old. Each comparable has an unfinished basement and a 1-car garage. The comparables have improvement assessments ranging from \$51,317 to \$52,614 or from \$31.91 to \$32.72 square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 due to differences from the subject in age, lack basements which is a feature of the subject, and have a garage which the subject lacks. The Board gives less weight to the board of review comparables which each have a dissimilar 3-story design when compared to the subject's 2-story design and have a garage which the subject lacks.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 which are overall more similar to the subject in age and features, except each comparable is a smaller dwelling than the subject. Nevertheless, these comparables have improvement assessments of \$28,816 and \$30,665 or \$22.98 and \$25.22 per square foot of living area, respectively. The subject property's improvement assessment of \$48,262 or \$30.18 per square foot of living area falls above the improvement assessments of the two best comparables in this record. However, the subject's higher assessment is logical considering it is a larger home than the two best comparables. Based on the evidence in the record, the Board finds the appellant did

not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
