

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Powills
DOCKET NO.: 19-47831.001-R-1
PARCEL NO.: 14-33-301-086-0000

The parties of record before the Property Tax Appeal Board are Sharon Powills, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,944
IMPR.: \$70,491
TOTAL: \$102,435

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements on one land parcel. Improvement #1 is an apartment building that contains 1960 square feet of living area. Improvement #2 is a coach house that contains 506 square feet of living area. The property has a 2,904 square foot site located in North Chicago Township, Cook County. The subject buildings are classified as a class 2-11 apartment building and a 2-02 coach house under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The Board notes the appellant combined the improvement assessment for both improvements; however, the appellant's calculation of the subject's price per square foot is based on 1,906 square feet of living area and does not include the 506 square foot coach house.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,435. The subject class 2-11 has an improvement assessment of \$49,598, or \$25.31 per square foot of living area. The improvement assessment of the class 2-02 improvement is \$20,893, or \$41.29 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparable properties with respect to the 2-11 improvement and three comparable properties with respect to the 2-02 improvement.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for the 2-11 improvement to be the appellant's comparable #1 and the board of review's comparables #2, #3, and #4. These comparables had improvement assessments that ranged from \$20.99 to \$35.39 per square foot of living area. The subject's improvement assessment of \$25.31 per square foot of living area falls within the range established by the best comparables in this record. The Board finds the best evidence of assessment equity for the 2-02 improvement to be the board of review's comparables #1, #2, and #3. These comparables had improvement assessments that ranged from \$42.85 to \$46.85 per square foot of living area. The subject's improvement assessment of \$41.29 per square foot of living area falls below the range established by the best comparables in this record. Accordingly, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
