

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ray Vicario
DOCKET NO.: 19-47873.001-R-1
PARCEL NO.: 27-02-213-015-0000

The parties of record before the Property Tax Appeal Board are Ray Vicario, the appellant, by attorney Nicholas Jordan, of Worsek & Vihon in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,472
IMPR.: \$29,528
TOTAL: \$38,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 16-year-old, two-story dwelling of frame and masonry construction with 3,155 square feet of living area. Features of the home include a full basement, central air conditioning, a fireplace and a three-car garage. The property has a 15,405 square foot site and is located in Orland Township, Cook County. The property is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$380,000 as of June 8, 2017.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,300. The subject's assessment reflects a market value of

\$413,000 when applying the 2019 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables with sales data on each of those properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$380,000 as of the assessment date at issue. Since market value has been established the 2019 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
