

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Middle A Ventures LLC
DOCKET NO.: 19-47929.001-R-1
PARCEL NO.: 29-23-301-010-0000

The parties of record before the Property Tax Appeal Board are Middle A Ventures LLC, the appellant, by attorney Spiro G. Zarkos, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,886
IMPR.: \$9,289
TOTAL: \$12,175

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,327 square feet of living area. The dwelling is approximately 57 years old. Features of the home include an unfinished basement, central air conditioning and a 2-car garage. The property has a 7,215 square foot site and is located in South Holland, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables that have the same assessment neighborhood code as the subject. The comparables are improved with class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,080 to 1,584 square feet of living area. The dwellings are from 50 to 60 years old. Three comparables

each have a basement with one having finished area, and one comparable has a concrete slab foundation. Two comparables each have central air conditioning, and each comparable has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$3,411 to \$5,987 or from \$2.99 to \$3.77 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$4,286 or \$3.23 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,175. The subject property has an improvement assessment of \$9,289 or \$7.00 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables that have the same assessment neighborhood code as the subject. The comparables are improved with class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,170 to 1,288 square feet of living area. The dwellings are each 56 years old. Each comparable has a basement with three having finished area and either a 2-car or a 2.5-car garage. Three comparables have central air conditioning. The comparables have improvement assessments ranging from \$9,198 to \$10,024 or from \$7.30 to \$8.54 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3 and #4 along with board of review comparables #2, #3 and #4 which differ from the subject in dwelling size, foundation type and/or have a basement finish.

The Board finds the best evidence of assessment equity to be the parties' two remaining comparables. These comparables are overall more similar to the subject in location, age, dwelling size, and have an unfinished basement. These two comparables have improvement assessments of \$4,318 and \$9,198 or of \$2.99 and \$7.30 per square foot of living area, respectively. The subject's improvement assessment of \$9,289 or \$7.00 per square foot of living area falls somewhat above the two best comparables in this record on an overall improvement assessment basis and is bracketed by the best comparables on a per-square-foot basis. However, the subject's higher overall improvement assessment is logical given one comparable is slightly smaller in dwelling size to the subject and the other comparable lacks central air conditioning, unlike the subject. Based on this record and after considering appropriate adjustments to the two

best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
