

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Budinger  
DOCKET NO.: 19-48564.001-R-1  
PARCEL NO.: 02-35-305-006-0000

The parties of record before the Property Tax Appeal Board are Budinger, the appellant(s), by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,500  
**IMPR.:** \$17,000  
**TOTAL:** \$27,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 59-year-old, one-story, single-family dwelling of frame construction with 2,003 square feet of living area. Features of the home include an unfinished full basement, central air conditioning, and a two-car garage. The property has a 30,000 square foot site and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$275,000 as of January 1, 2019. The appraisal utilized the sales comparison approach analyzing and adjusting five comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,556. The subject's assessment reflects a market value of \$415,560 or \$207.47 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

The appellant then submitted rebuttal evidence in the form of a letter that addressed two of board of review's suggested comparables.

The matter was set for a hearing before an Administrative Law Judge for the Board on October 3, 2023. Prior to hearing the parties entered into a written agreement to waive the hearing and have the matter decided on the evidence that had been submitted.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$415,560, which is above the appraised value. The Board finds the subject property had a market value of \$275,000 as of the assessment date at issue. Since market value has been established the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance. Based on this record the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject's assessment was overvalued and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
