

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jared Hall  
DOCKET NO.: 19-49204.001-R-1  
PARCEL NO.: 13-13-416-009-0000

The parties of record before the Property Tax Appeal Board are Jared Hall, the appellant(s), by attorney Patrick C. Turner of Maurides Foley Tabangay & Turner LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 9,326  
**IMPR.:** \$ 98,037  
**TOTAL:** \$107,363

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year after receiving a decision from the Cook County Board of Review. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, frame dwelling with 3,081 square feet of living area. The dwelling is one year old and is situated on a 3,886 square foot parcel of land. It is located in Jefferson Township, Cook County and is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The appellant stated the subject property is owner-occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The suggested comparables range in improvement assessment per square foot of living area from \$14.33 to \$30.05 psf. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$107,363. The subject property has an improvement assessment of \$98,037, or \$31.82 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, one of which reflected sale data. They ranged in improvement assessment per square foot from \$16.12 to \$33.20 psf. The sale of the subject in June 2017 for \$1,375,097 was also reflected on the grid sheet. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #1, as well as the board of review's comparable(s) #1 through #4. The appellant's comparable #1 and the board of review's comparable #4 are identical properties. These comparables are most similar to the subject property based on a combination of location, size, construction, age and design. They had improvement assessments that ranged from \$16.12 to \$33.20 per square foot of living area. The subject's assessment of \$31.82 per square foot of living area falls within the range established by the best comparables contained in this record. Accordingly, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
