

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles McClendon
DOCKET NO.: 19-49243.001-R-1
PARCEL NO.: 31-27-303-006-0000

The parties of record before the Property Tax Appeal Board are Charles McClendon, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,024
IMPR.: \$1,976
TOTAL: \$4,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 7,363 square foot parcel of land improved with a 46-year-old, one-story, frame and masonry, single-family dwelling containing approximately 950 square feet of building area. The property is located in Richton Park, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, appellant submitted copies of the multiple listing service (MLS) printout and master statement which disclosed the purchase of the subject September 25, 2019 for \$52,000. The statement included commissions paid to realty companies. The petition discloses that the transfer was not between related parties, the property was sold with involvement of a realtor, and that the property was advertised for sale. The appellant failed to complete the

remaining questions in this section of the petition. The appellant also submitted eight sales comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$7,762 which reflects a market value of \$77,620 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four sales comparables. These comparables are described as one-story, frame or frame and masonry, single-family dwellings. They contain from 720 to 775 square feet of building area and sold from August to October 2019 for prices ranging from \$194.44 to \$208.33 per square foot of building area. The evidence also lists the sale of the subject in March 2018 for \$40,000.

In rebuttal, the appellant submitted a letter addressing the board of review's comparables and included a grid of all the comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in March 2018 for a price of \$40,000. The appellant submitted evidence of the sale of the subject. The board of review did not sufficiently rebut that the sale was not at arm's-length and included this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$40,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. The Board further finds the subject's sale price is within the range of the most relevant comparables.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
