

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert & Anna Gorski  
DOCKET NO.: 19-49988.001-R-1  
PARCEL NO.: 12-24-416-016-0000

The parties of record before the Property Tax Appeal Board are Robert & Anna Gorski, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,987  
**IMPR.:** \$13,676  
**TOTAL:** \$18,663

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 69-year-old, one-story single-family dwelling of masonry construction. Features of the home include 816 square feet of living area, a full unfinished basement and a 1.5-car garage. The property has a 3,990 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information about four suggested comparable sales. The comparables are described as single-family dwellings of either masonry construction or frame construction. They range in age from 77 to 92 years and in size from 864 to 942 square feet of building area. They sold between September 2017 to August 2018 for prices ranging from \$133.99 to \$196.76 per square foot of building area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,663. The subject's assessment reflects a market value of \$186,630 or \$228.71 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four sales comparables.

The comparables are described as one-story single-family dwellings of masonry construction or frame construction. The comparables are located within the same subarea as the subject. They ranged: in age from 63 to 94 years and in size from 520 to 842 square feet of building area. They sold between October 2018 to July 2019 for prices ranging from \$278.57 to \$382.69 per square foot of building area, land included.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the best evidence of market value to be *the appellant's comparable sales #1 and #2 and the board of review comparable sales #1 and #3*. These comparables sold for prices ranging from \$187.44 to \$305.23 per square foot of building area, including land. The subject's assessment reflects a market value of \$228.71 per square foot of building area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
