

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Demos  
DOCKET NO.: 19-50088.001-R-1  
PARCEL NO.: 13-12-416-036-0000

The parties of record before the Property Tax Appeal Board are Chris Demos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,304  
**IMPR.:** \$52,800  
**TOTAL:** \$64,104

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 100-year-old, three-story, multi-family dwelling of masonry construction with 4,437 square feet of living area. The property has a 4,710 square foot site located in Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted four sales comparables. The comparables are described as multi-family dwellings of masonry construction. They range in age from 92 to 101 and in size from 2,768 to 6,949 square feet of building area. They sold from February 2018 to October 2019 for prices ranging from \$82.03 to \$125.00 per square foot of building area.

The "Board of Review Notes on Appeal" disclosed the total assessment for the subject of \$64,104. The subject's assessment reflects a market value of \$641,040 or \$144.48 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested comparable sales. They are improved with a two-story or a 1.5-story, multi-family dwelling of masonry construction or frame construction, located within a ¼ mile radius of the subject with one comparable located on the same block as the subject. The improvements ranged: in size from 1,891 to 2,844 square feet of living area; in age from 96 to 115 years. They sold from December 2017 to November 2018 for prices ranging from \$174.05 to \$322.48 per square foot of building area, including land.

### **Conclusion of Law**

The taxpayer's appeal also asserted that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *has not met* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board concludes that the best evidence of the subject's market value is the board of review's comparable #1, #2 and #3 and the appellant's sales comparable #2 and #3. These suggested comparables sold between December 2017 and November 2018, for amounts ranging from \$122.01 to \$322.48 per square foot of living area, land included. The subject property's assessment reflects a market value of \$641,040 or \$144.48 per square foot of living area, including land, which is within the range established by the best comparables in the record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
