

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stanislaw Godzic
DOCKET NO.: 19-50092.001-R-1
PARCEL NO.: 13-05-323-032-0000

The parties of record before the Property Tax Appeal Board are Stanislaw Godzic, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,952
IMPR.: \$27,112
TOTAL: \$33,064

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 94-year-old, two-story, multi-family dwelling of masonry construction with 2,153 square feet of living area. Features of the subject include: a full unfinished basement and a two-car garage. The property has a 3,720 square foot site located in Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal.

In support of the overvaluation argument, the appellant submitted evidence of four suggested comparable sales. The comparables were multi-family dwellings of frame construction or masonry construction. They range in size from 2,034 to 2,990 square feet of building area. They sold from April 2018 to June 2018 for prices ranging from \$115.54 to \$158.05 per square foot of

building area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The "Board of Review Notes on Appeal" disclosed the total assessment for the subject of \$35,142. The subject property has an improvement assessment of \$29,190 or \$13.56 per square foot of living area. The subject's assessment reflects a market value of \$351,420 or \$163.22 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted four suggested comparable sales. The improvements are described two-story, multi-family dwellings of frame construction or masonry construction, located within the subarea as the subject. The improvements ranged: in size from 1,143 to 2,662 square feet of living area; in age from 92 to 110 years They sold from April 2016 to December 2017 for prices ranging from \$229.22 to \$269.91 per square foot of building area, including land.

Conclusion of Law

The taxpayer's appeal asserted that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *has not met* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board concludes that the best evidence of the subject's market value is the appellant's sales comparable #1, #2 and #4. These suggested comparables sold between January 2015 and February 2017, for amounts ranging from \$115.54 to \$158.05 per square foot of living area, land included. The subject property's assessment reflects a market value of \$351,420 or \$163.22 per square foot of living area, including land, which is above the range established by the best comparables in the record. Based on the evidence, the Board therefore finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
