

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tony Karagiannakos
DOCKET NO.: 19-50203.001-R-1
PARCEL NO.: 12-11-211-061-0000

The parties of record before the Property Tax Appeal Board are Tony Karagiannakos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,425
IMPR.: \$27,207
TOTAL: \$36,632

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 55-year-old multi-level, single-family dwelling of masonry construction with 1,350 square feet of living area. Features of the home include a partial finished basement with a formal recreation room, central air conditioning and a two-car garage. The property has a 7,540 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the bases of the appeal. In support of the market value argument, the appellant submitted information on four sales comparables. These comparables are described as multi-level, single-family dwellings of masonry construction or frame and masonry construction. They range in size from 1,250 to 1,780 square feet of building area. They sold from June 2016 to January 2019 for prices ranging from \$185.62 to \$246.47 per square foot of living

area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$30,317.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$36,632 with an improvement assessment of \$27,207 or \$20.15 per square foot of building area. The total assessment reflects a market value of \$366,320 or \$271.35 per square foot of building area, including land, using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four sales comparables. The four sales comparables are described as multi-level, single-family dwellings of masonry construction. They range in age from 44 to 57 years and in size from 1,242 to 1,368 square feet of living area. They sold from July 2018 to October 2019 for prices ranging from \$285.09 to \$346.22 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #1 and #4 and the board of review's comparable #1, #2 and #3. These three comparables had sales prices ranging from \$234.27 to \$314.87 per square foot of building area, including land. In comparison the subject's assessment reflects a market value of \$271.35 per square foot of building area, including land is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
