

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Theodore Verges
DOCKET NO.: 19-50207.001-R-1
PARCEL NO.: 13-29-409-020-0000

The parties of record before the Property Tax Appeal Board are Theodore Verges, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,501
IMPR.: \$18,858
TOTAL: \$23,359

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 94-year-old, 1.5-story single family dwelling with 1,623 square feet of living area of masonry construction. Features of the home include a full basement with a formal recreation room and a two-car garage. The property has a 4,092 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four suggested comparable sales. These comparables sold from March 2017 to March 2019 for prices ranging from \$56.03 to \$116.13 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$14,896. The comparables had a different neighborhood code as the subject and their proximity to the subject was not provided.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$23,359. The total assessment reflects a market value of \$233,590 or \$143.92 per square foot of building area, including land, using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four sales comparables. The four sales comparables are described as 1.5-story, single-family dwellings of either masonry construction, frame construction or frame and masonry construction. They range in age from 89 to 97 and in size from 1,515 to 1,705 square feet of living area. They sold from January 2018 to July 2018 for prices ranging from \$164.81 to \$210.10 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value to be *board of review comparable sales #1, #3 and #4*. These comparables sold for prices ranging from \$164.81 to \$210.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$143.92 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
