

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Filberto Quiles  
DOCKET NO.: 19-50210.001-R-1 through 19-50210.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Filberto Quiles, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
19-50210.001-R-1	12-24-211-001-0000	6,347	8,077	\$14,424
19-50210.002-R-1	12-24-211-002-0000	4,687	8,077	\$12,764

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property has two pin numbers and consists of a 68-year-old, one-story, single-family dwelling of masonry construction with 1,178 square feet of living area. Features of the home include: a partial unfinished basement and a one-car garage. The property has a 5,078 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information about four suggested comparable sales. The comparables are described as single-family dwellings of masonry construction. They range in age from 30 to 64 years and in size from 1,152 to 1,470 square feet of building area. They sold from April 2018 to May 2019 for prices ranging from \$162.66 to \$195.83 per square foot of building area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,424. However, these figures are incorrect. A separate document was received into evidence that the board of review finalized the 2019 assessed valuation for PIN 12-24-211-001-0000 and PIN 12-24-211-002-0000 at \$14,424 and \$12,764, respectively, which were the figures provided by the appellant in their appeal. Within the "Board of Review Notes on Appeal," the board of review submitted information on four suggested equity comparables.

The subject's assessment reflects a market value of \$271,880 or \$230.80 per square foot of living area, including land, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. In support of its contention of the correct assessment the board of review submitted information on three sales comparables.

The Board of Review's comparables are described as one-story or 1.5-story single-family dwellings of frame construction or masonry construction. The improvements were located within the same subarea as the subject with two comparables located within ¼ mile radius as the subject and one comparable located within a block as the subject. They ranged: in age from 58 to 77 years and in size from 1,073 to 1,363 square feet of building area. They sold between January 2018 to November 2018 for prices ranging from \$238.44 to \$289.61 per square foot of building area, land included.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value to be *appellant's comparable sales #3 and #4 and the board of review comparable sales #2 and #4*. These comparables sold for prices ranging from \$200.00 to \$263.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$230.80 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
