

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Anthony
DOCKET NO.: 19-50490.001-R-1
PARCEL NO.: 13-12-400-037-0000

The parties of record before the Property Tax Appeal Board are Peter Anthony, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,960
IMPR.: \$46,493
TOTAL: \$56,453

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 118-year-old, two-story single-family dwelling of frame construction with 1,987 square feet of living area. Features of the home include a full finished basement with a formal recreation room, a fireplace and a two-car garage. The property has a 4,150 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three suggested comparable sales. The comparables ranged in age from 100 to 135 years and in size from 1,475 to 2,138 square feet of living area. The comparables had the same neighborhood code as the subject but their exact proximity to the subject was not provided. These comparables sold from April 2017 to September 2019 for prices

ranging from \$216.80 to \$275.96 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$48,912.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$56,453. The total assessment reflects a market value of \$564,530 or \$284.11 per square foot of building area, including land, using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four sales comparables located within the same subarea as the subject with three comparables located within a ¼ mile radius of the subject. The four sales comparables are described as two-story, single-family dwellings of frame construction or masonry construction. They range in age from 98 to 130 years and in size from 1,242 to 2,199 square feet of living area. They sold from March 2016 to October 2017 for prices ranging from \$326.90 to \$480.92 per square foot of building area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables #1 and #2 and board of review comparable sales #4*. These comparables sold for prices ranging from \$216.80 to \$326.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$284.11 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
