

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patrick Phillips  
DOCKET NO.: 19-50538.001-R-1  
PARCEL NO.: 06-14-413-004-0000

The parties of record before the Property Tax Appeal Board are Patrick Phillips, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,829  
**IMPR.:** \$15,275  
**TOTAL:** \$23,104

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of frame construction with 1,198 square feet of living area. The dwelling was constructed in 1980. Features of the home include a partial unfinished basement with a formal recreational room, central air conditioning, and a 2-car garage. The property has an 8,030 square foot site and is located in Streamwood, Hanover Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables of frame construction. The improvement assessments ranged: in age from 35 to 41 years old; from 1,198 to 1,255 square feet of living area; and from \$10.00 to \$11.58 per square foot of living area. Based on this evidence, the appellant requested an assessment for the subject of \$19,809.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total \$23,104 or \$12.75 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, located either on the subject's block or within ¼ mile of the subject's location. The improvement assessments ranged: in age from 32 to 40 years old; from 1,173 and 1,198 square feet of living area; and from \$12.90 to \$14.13 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *the appellant's comparables* and *the board of review comparables*. These comparables were given greater weight due to their size relative to the subject. These comparables had improvement assessments that ranged from \$10.00 to \$14.13 per square foot of living area. The subject's improvement assessment of \$12.75 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
