

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: DDF Properties, LLC  
DOCKET NO.: 19-50679.001-I-2 through 19-50679.002-I-2  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are DDF Properties, LLC, the appellant, by attorney Paul K. Lee of The Law Office of Paul K. Lee, in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a **Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
19-50679.001-I-2	17-28-418-033-1033	8,891	33,588	\$42,479
19-50679.002-I-2	17-28-418-033-1036	8,900	33,621	\$42,521

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a commercial<sup>1</sup> property located in South Chicago Township Cook County. The subject is classified as a Class 5-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant submitted evidence before the Property Tax Appeal Board claiming the market value of the subject property is not accurately reflected in its assessment. In support of this argument, the appellant submitted an appraisal of the subject property estimating a fair market value of \$340,000 as of January 1, 2019. The appraiser developed the income and sales comparison approaches to value in arriving at the final opinion of value.

---

<sup>1</sup> For some unknown reason, counsel filed an industrial appeal petition.

The appellant also submitted a copy of the final decision issued by the Cook County Board of Review disclosing the subject's final assessment of \$236,376. The subject's assessment reflects an estimated market value of \$945,504 using the Cook County Real Property Assessment Classification Ordinance level of assessments for Class 5 property of 25%. Based on this evidence, the appellant requested the subject's assessment be reduced to \$85,000.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted an appraisal in support of the contention that the subject property was not accurately assessed. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's evidence as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The appraisal submitted by the appellant estimated the subject property had a market value of \$340,000 as of January 1, 2019. The Board finds the appraisal submitted by the appellant is the best and only evidence of the subject's fair market value contained in this record. The subject property's assessment reflects an estimated market value of \$945,504. The subject's assessment reflects an estimated market value considerably greater than the appraised value presented by the appellant. Therefore, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
