

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Raul Santos Valerio
DOCKET NO.: 19-50758.001-R-1
PARCEL NO.: 29-08-123-049-0000

The parties of record before the Property Tax Appeal Board are Raul Santos Valerio, the appellant(s), by attorney Robert J. Paul, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,171
IMPR.: \$ 2,679
TOTAL: \$ 3,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2019. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a one-story dwelling of masonry construction with 988 square feet of living area. The dwelling is 56 years old. Features of the home include a full unfinished basement, central air conditioning, and a two-car garage. The property's site is 4,687 square feet, and it is located in Thornton Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on June 22, 2017 for a price of \$38,500.

The subject property was the subject matter of an appeal before the Board in 2018 under docket number 18-43469. In that appeal, the Board rendered a decision lowering the subject's

assessment to \$3,850. In Section II of the appeal form, the appellant stated that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$3,850.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$4,589. The subject's assessment reflects a market value of \$45,890 when applying the 2019 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from January 2017 to November 2019 for \$41,120 to \$67,000, or \$55.26 to \$68.51 per square foot of living area, including land. The board of review's evidence also states that the subject was purchased in July 2017 for \$38,500.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Board for tax year 2018 should be carried forward to the instant tax year pursuant to section 16-185 of the Property Tax Code. When a contention of law is raised, the burden of proof is a preponderance of the evidence. 5 ILCS 100/10-15. The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the assessment as established by the Board for tax year 2018 should be carried forward to the instant tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes official notice that it issued a decision lowering the subject's assessment for tax year 2018 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2018 and the instant tax year of 2019 are in the same general assessment period for Thornton Township, Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(3). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction after the Board's 2018 decision, or that the Board's 2018 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's

Docket No: 19-50758.001-R-1

assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2018 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
