

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Westerhoff
DOCKET NO.: 19-50818.001-R-1 through 19-50818.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Eric Westerhoff, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-50818.001-R-1	30-31-204-020-0000	1,146	4,503	\$5,649
19-50818.002-R-1	30-31-204-021-0000	1,146	2,217	\$3,363

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 1,224 square feet of living area. The dwelling is approximately 64 years old. Features of the home include a basement with finished area, central air conditioning, and a 2-car garage. The property has a 3,275 square foot site and is located in Lansing, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables are reported to be improved with 1.5 to 1.9-story homes of frame exterior construction ranging in size from 1,098 to 1,440 square feet of living area. The dwellings range

in age from 63 to 102 years old. Four homes each have a basement and one home has a concrete slab foundation. Two homes have central air conditioning and four homes each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$1,547 to \$6,468 or from \$1.07 to \$4.97 per square foot of living area.

The appellant disclosed the subject has a total combined assessment of \$9,012 and a total combined improvement assessment of \$6,720 or \$5.49 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for one of the subject parcels, 30-31-204-020-000, of \$5,649. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story, Class 2-03 homes of frame exterior construction ranging in size from 1,186 to 1,365 square feet of living area. The dwellings range in age from 61 to 70 years old. Each home has a basement, one home has central air conditioning, and three homes each have a 2-car garage. The comparables have improvement assessments ranging from \$8,151 to \$8,751 or from \$5.97 to \$7.32 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, #4, and #5 and the board of review's comparable #2, due to substantial differences from the subject in dwelling size, age, and/or garage amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 and the board of review's comparables #1, #3, and #4, which are more similar to the subject in dwelling size, age, location, and some features, although none of these comparables have finished basement area like the subject, one comparable has a smaller garage than the subject, and two comparables lack central air conditioning that is a feature of the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$5,994 to \$8,751 or from \$4.72 to \$7.32 per square foot of living area. The subject's improvement assessment of \$6,720 or \$5.49 per square foot of living area falls within the range established by the best

comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
