

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Derrick Parker Greater Works LLC  
DOCKET NO.: 19-51107.001-R-1  
PARCEL NO.: 31-02-108-021-0000

The parties of record before the Property Tax Appeal Board are Derrick Parker Greater Works LLC, the appellant(s), by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,370  
**IMPR.:** \$14,130  
**TOTAL:** \$20,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 12,741 square foot parcel of land improved with a 19-year-old, two-story, frame and masonry, single-family dwelling containing 3,818 square feet of building area. The property is located in Hazel Crest, Rich Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, appellant submitted a copy of the master statement which disclosed the purchase of the subject December 5, 2018 for \$205,000. The settlement statement included commissions to realty companies. The petition discloses that the transfer was not between related parties, the property was sold with involvement of a realtor, that the property was advertised for sale, that the property was sold due to a foreclosure but was not sold using a contract for deed.

The board of review submitted its "Board of Review Notes on Appeal." The subject's total assessment is \$28,247 which reflects a market value of \$282,470 using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted four comparables. The comparables are described as a two-story, frame or masonry or frame and masonry, single-family dwellings containing from 3,894 to 4,332 square feet of building area. They sold February 2017 to March 2019 for prices ranging from \$85.32 to \$115.42 per square foot of building area. The board of review also lists the sale of the subject in December 2018 for \$205,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in December 2018 for a price of \$205,000. The appellant submitted evidence of the sale of the subject. The board of review did not sufficiently rebut that the sale was not at arm's-length and included this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$205,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. The Board further finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
