

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sarah Welch
DOCKET NO.: 19-51579.001-R-1
PARCEL NO.: 14-33-314-027-0000

The parties of record before the Property Tax Appeal Board are Sarah Welch, the appellant, by attorney John P. Brady, of Tully & Associates, LTD. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,000
IMPR.: \$224,099
TOTAL: \$257,099

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a four-year-old, three-story, single-family dwelling of masonry construction with 4,343 square feet of living area. The property has a 3,000 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants originally asserted assessment inequity as the basis of the appeal. In support of this argument the appellants submitted information on nine equity comparables and printouts from the Cook County Assessor's Office for the subject property and each of the comparables. All of the comparables were improved with Class 2-08, single-family dwellings with varying degrees of similarities to the subject property. The improvements ranged: in age between 19 and 130 years old; in size between 3,891 and 4,961 square feet of living area; and in improvement

assessment from \$32.96 to \$50.00 per square foot of living area. Based on this evidence, the appellants are requesting an assessment amount of \$206,720.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$285,111. The subject property has an improvement assessment of \$252,111 or \$58.05 per square foot of living area. In support of its contention of the correct assessment the board of review submitted four equity comparables.

During the December 8, 2023, hearing, appellant sought to introduce an affidavit signed by the owners of the subject property and filed with the Cook County Assessor's Office showing that the property was in fact owner-occupied in support of a requested rollover. Appellant's appeal petition stated that the property was owner-occupied.

The board of review argued that the Assessor's Office requires more proof of ownership than an affidavit and noted that there is no proof the affidavit had in fact been accepted by the Cook County Assessor's Office. The affidavit was admitted at hearing without objection.

Conclusion of Law

At the hearing, the appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2018 tax year should be carried forward to the 2019 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2018 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board takes official notice that it issued a decision reducing the subject's assessment for the 2018 tax year to \$257,099 in case number 18-41647.001-R-1 on July 18, 2023. The record further indicates that the subject property is an owner-occupied dwelling and that 2018 and 2019 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's

decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
