

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fred & Laura Moeller
DOCKET NO.: 19-52166.001-R-1
PARCEL NO.: 03-09-401-077-0000

The parties of record before the Property Tax Appeal Board are Fred & Laura Moeller, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,757
IMPR.: \$49,810
TOTAL: \$59,567

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 3,377 square feet of living area and is situated on a 48,787 square foot site. The dwelling is 20 years old. The property is located in Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted an appraisal estimating the subject property had a market value of \$540,000 as of July 30, 2019. The appraiser utilized the sales comparison approach to value the subject property. The appraiser indicated the property is owner-occupied.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$63,451. The subject's assessment reflects a market value of

\$634,510, or \$187.89 per square foot of living area, including land, when applying a 10% level of assessment for Class 2 properties as determined by the Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three sale comparables, each of which reflected equity data. A fourth equity comparable was also submitted. Based on this evidence, the board of review requested confirmation of the subject's assessment.

The appellant also submitted written rebuttal.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellants. The subject's assessment reflects a market value above the best evidence of market value in the record. Accordingly, the Board finds a reduction in assessment to the appellants' request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
