

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sofoklis Nikiforos
DOCKET NO.: 19-52558.001-R-1 through 19-52558.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Sofoklis Nikiforos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-52558.001-R-1	10-20-415-035-0000	3,273	6,411	\$9,684
19-52558.002-R-1	10-20-415-036-0000	3,273	6,412	\$9,685

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two PINs on an 8,184 square foot parcel of land improved with a 70-year-old, one-story, frame, single-family dwelling, containing 910 square feet of living area. The property is located in Morton Grove, Niles Township, Cook County and is a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, appellant submitted sales information on four comparable properties that sold between April of 2017 and December of 2018 for prices ranging from \$204.04 to \$218.61 per square foot of living area, including land. The comparable sales properties were single-family dwellings of either masonry or masonry and frame construction and contained between 892 and 985 square feet of living area. Appellant included information in its grid analysis indicating the subject property sold in June of 2017 for \$269.03 per square foot of living area, including land, and

submitted copies of an executor's deed and warranty deed. Appellant also submitted an addendum to its petition reflecting the board of review's total assessment for the property of \$12,241 (PIN ending in -035-0000) and \$12,241 (PIN ending in -036-0000). Based on this evidence, appellant requested a reduction in the subject property's assessment to \$9,684 (PIN ending in -035-0000) and \$9,685 (PIN ending in -036-0000).

After all evidence had been submitted and the filing period for submission of evidence closed, the PTAB found the Cook County Board of review in default and provided the parties with written notice of same.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's sale comparables #1, #2, #3, and #4. These properties sold between 2017 and 2018 for prices ranging from \$204.04 to \$218.61 per square foot of living area, including land. The board of review did not submit any evidence in this matter. The subject's current assessment of \$269.03 per square foot of living area reflects a market value above the market value established by the best comparables in this record. Based on this record, the Board finds appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
