Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a three-story dwelling with four owner-occupied residential units each with 2400 square feet of living area. The dwelling is 41 years old. The property has a 6,102 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating that three of the subject units has a market value of \$770,000 and the fourth unit has a market value of \$960,000. The submitted appraisal estimated the subject property had a total market value of \$3,270,000 as of January 1, 2018.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 18-40723.001-R-1 through 18-40723.004-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the four owner-occupied residential units. The tax years 2018 and 2019 are within the same general assessment period and the appellant disclosed that the subject property are owner-occupied residences.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$427,280. The subject's assessment reflects a market value of \$4,272,800, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the assessments as established by the Board for the 2018 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2018 and the instant tax year of 2019 are in the same general assessment period for North Chicago Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section 1b of the 2018 appeal form, which states that the subjects are owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2018 tax year, or that the Board's decision for the 2018 tax year was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward to the 2019 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2018 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
