

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Polymenakos Lacon Properties LLC  
DOCKET NO.: 19-52797.001-R-1  
PARCEL NO.: 20-21-129-014-0000

The parties of record before the Property Tax Appeal Board are Polymenakos Lacon Properties LLC, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 1,901  
**IMPR.:** \$ 9,421  
**TOTAL:** \$11,322

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year after receiving a decision from the Cook County Board of Review. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, frame and masonry dwelling with 2,216 square feet of living area. The dwelling is 111 years old and is situated on a 2,925 square foot parcel of land. It is located in Lake Township, Cook County and is classified as a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. The appellant stated the subject property is not owner-occupied.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was transferred to the appellant from K-LO Properties, LLC on November 7, 2018 for a price of \$80,000, or \$36.10 per square foot, including land, in a cash transaction. The evidence indicated the subject was sold "by owner" and was not advertised for sale. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

In support of its contention of the correct assessment, the board of review submitted Notes on Appeal indicating the subject's current assessed value is \$11,322. The subject's assessment reflects a market value of \$113,220, or \$51.09 per square foot of living area, including land, when applying the statutory level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

The board of review also submitted information on four sale comparables, each of which reflected equity data. The comparables sold between January 2016 and January 2018 for sale prices ranging from \$70.39 to \$83.33 per square foot, including land. Based on this evidence, the board requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the subject's sale as reported by the appellant does not have the elements of an arm's length transaction as it was not advertised or exposed on the open market as the property was sold "by owner." No other evidence regarding the circumstances surrounding the sale was provided by the appellant. Additionally, the board of review provided four sale comparables that were located in close proximity to the subject and sold at times proximate to the valuation date. These comparables sold for prices ranging from \$70.39 to \$83.33 per square foot, including land. The subject's assessment reflects a market value of \$104.93 per square foot of living area, including land, while its purchase price reflects a market value of \$36.10 per square foot of living area, including land. Both of these values are below the range of the best comparables contained in the record. As the appellant failed to submit any sale comparables to demonstrate that the sale was at market value, the Board finds that a reduction in the subject's assessment is not justified

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
