

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Kontogiorgis
DOCKET NO.: 19-52799.001-R-1
PARCEL NO.: 25-21-335-013-0000

The parties of record before the Property Tax Appeal Board are Paul Kontogiorgis, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,758
IMPR.: \$3,617
TOTAL: \$5,375

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,836 square feet of living area. The dwelling is 120 years old. The property has a 3,198 square foot site and is located in Lake Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance. The appellant indicated that the subject property is not owner-occupied.

The appellant contends assessment inequity and overvaluation as the bases of the appeal. In support of the equity argument, the appellant submitted information on eight equity comparables. The comparables ranged in improvement assessment per square foot from \$0.24 to \$2.15.

In support of the overvaluation argument, the appellant submitted sales data for four suggested comparables. The comparables ranged in sale date from March 2017 to December 2018 and in sale price per square foot, including land, from \$139.90 to \$211.40. Based on this evidence, the appellant requested an assessment reduction.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$6,677. The subject property has an improvement assessment of \$4,919, or \$2.68 per square foot of living area. The subject's assessment reflects a market value of \$66,770, or \$36.37 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. They ranged in improvement assessment per square foot from \$2.80 to \$7.55.

In support of the overvaluation argument, the board of review submitted sales data for four suggested comparables. The comparables ranged in sale date from April 2017 to November 2018 and in sale price per square foot, including land, from \$39.50 to \$105.36. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #2, #3 and #6 they are most similar to the subject property based on a combination of design, construction, location and size. They had improvement assessments that ranged from \$1.29 to \$1.99 per square foot of living area. The subject's assessment of \$2.68 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is justified on this basis.

The Board also finds that the subject is no longer overvalued.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
