

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Walkosz
DOCKET NO.: 19-52812.001-R-1
PARCEL NO.: 20-28-101-004-0000

The parties of record before the Property Tax Appeal Board are John Walkosz, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,359
IMPR.: \$5,342
TOTAL: \$9,701

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling of masonry construction with 2,558 square feet of living area. The building is 126 years old. Features of the home include a full unfinished basement and a two-car garage. The property has a 5,812 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold between December of 2017 and September of 2018. The comparable properties ranged: in price between \$47,550 to \$205,000; in living square footage between 2,352 to 6,692; and in sale price per square foot between \$19.11 to \$30.63, including land. The appellant also submitted documents from the Recorder of Deeds for three of the four comparable properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,701. The subject's assessment reflects a market value of \$97,010 or \$37.92 in market value per square foot of living area, including land, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four sale comparables. The comparable properties sold between March 2019 and June 2019. The comparable properties ranged: in sale price between \$50,071 and \$222,000; in living square footage between 2,172 and 2,436; and in sale price per square foot between \$23.05 and \$93.11, including land. Additionally, all of the comparables were located within a quarter mile of the subject property.

Both the appellant and the board of review utilized PIN 20-28-113-205-0000 as a comparable sale. The appellant submitted evidence with a date of sale of December 1, 2017 for \$55,000. The board of review submitted evidence with a more recent sales date of April 15, 2019 for \$219,000. This Board is relying on the more recent sales data in its analysis of sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable #3 and the board of review comparable sales #2, #3, and #4. These comparables sold for prices ranging from \$28.89 to \$93.11 per square foot of living area. The subject's assessment reflects a market value of \$37.92 per square foot of living area which is within the range established by the best comparable sales in this record. The remaining comparables were given less weight due to differences in construction and size. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
