

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William & Marjorie Wright  
DOCKET NO.: 19-53332.001-R-1  
PARCEL NO.: 06-22-414-032-0000

The parties of record before the Property Tax Appeal Board are William & Marjorie Wright, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,587  
**IMPR.:** \$22,232  
**TOTAL:** \$27,819

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 2,292 square feet of living area of frame construction. The dwelling was constructed in 1990. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 9,717 square foot site and is located in Streamwood, Hanover Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold from March 2017 to September 2018 for prices from \$250,500 to \$355,000. The comparable properties ranged: in size from 2,316 to 3,106 square feet of living area; and in sale price per

square foot between \$103.85 to \$114.29, including land. Based on this evidence, the appellant arrived at a requested assessment for the subject of \$24,702.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,819. The subject's assessment reflects a market value of \$278,190 or \$121.37 per square foot of living area, including land.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparable properties sold from July 2017 to May 2019 for prices from \$268,500 to \$295,000. The comparable properties ranged: in living square footage from 2,001 to 2,240; and in sale price per square foot from \$119.87 to \$136.18, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not warranted*.

The Board finds the best evidence of market value to be *appellant's comparable sales #1, and the board of review comparable sales #2, #3, and #4*. These comparable sales were given greater weight due to their size relative to the subject. These comparables sold for prices ranging from \$107.94 to \$131.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$121.37 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds the appellant failed to show by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment *is not justified*.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
