

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Booker
DOCKET NO.: 19-53346.001-R-1
PARCEL NO.: 30-19-208-040-0000

The parties of record before the Property Tax Appeal Board are Brian Booker, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,925
IMPR.: \$4,256
TOTAL: \$6,181

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 5,500 square foot parcel improved with a 59-year-old, one-story, frame and masonry, single-family dwelling containing 1,147 square feet of building area. The property is located in Calumet City, Thornton Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this, the appellant submitted data on four suggested comparables. These comparables are one-story, masonry or frame or frame and masonry, single-family dwellings. They range in age from 45 to 58 years and in size from 1,097 to 1,147 square feet of building area. They sold from September 2017 to October 2018 for prices ranging from \$27.35 to \$43.59 per square foot of building area. The petition discloses that the subject is not an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$6,181 which reflects a market value of \$61,810 or \$53.89 per square foot of building area using when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted four comparables. These comparables are one-story, masonry or frame and masonry, single-family dwellings. They range in age from 50 to 58 years and in size from 1,060 to 1,258 square feet of building area. They sold from April 2018 to October 2019 for prices ranging from \$99.82 to \$133.96 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds that the best comparables to reflect the subject's market value be the appellant's comparables #1 and #2 and the board of review's comparables #1 and #2. The remaining comparables were given less weight due to differences in size and sale date. The comparables sold for prices ranging from \$40.83 to \$103.75 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$53.89 per square foot of building area which is within the range of these sales prices. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
