

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Soni Girish  
DOCKET NO.: 19-53390.001-R-1  
PARCEL NO.: 06-07-222-012-0000

The parties of record before the Property Tax Appeal Board are Soni Girish, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,112  
**IMPR.:** \$24,855  
**TOTAL:** \$29,967

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 2,912 square feet of living area of frame construction. The dwelling was constructed in 2003. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 11,360 square foot site and is located in Elgin, Hanover Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold between July 2017 and February 2018. The comparable properties ranged: in price between \$175,400 to \$292,500; in living square footage between 2,176 to 2,796; and in sale price per

square foot between \$80.61 to \$108.32, including land. Based on this evidence, the appellant arrived at a requested assessment for the subject of \$28,344.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,478. The subject's assessment reflects a market value of \$324,780 or \$111.53 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparable properties sold between August 2017 and May 2018. The comparable properties ranged: in price between \$290,000 to \$300,000; in living square footage between 2,148 to 2,383; and in sale price per square foot between \$125.89 to \$135.01, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *appellant's comparable sales #1, #3, and #4*. These comparable sales were given greater weight due to their size relative to the subject. These comparables sold for prices ranging from \$95.80 to \$108.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$111.53 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
