

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Piechnik
DOCKET NO.: 19-53445.001-R-1
PARCEL NO.: 30-32-117-012-0000

The parties of record before the Property Tax Appeal Board are Robert Piechnik, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,320
IMPR.: \$4,550
TOTAL: \$6,870

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 1,152 square feet of living area. The dwelling is approximately 69 years old. Features of the home include a basement with finished area, central air conditioning, and a 2-car garage. The property has a 6,630 square foot site and is located in Lansing, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on January 25, 2019 for a price of \$68,700. The appellant partially completed Section IV of the appeal petition disclosing the property sold using a realtor and was listed for sale on the Multiple Listing Service for 98 days, the sale was due to foreclosure, and the sale was by contract for deed. In support of the

sale, the appellant submitted a settlement statement indicating payment of realtors' commissions; a Special Warranty Deed; a listing sheet indicating a sale on January 25, 2019 for \$68,700; and an addendum to a purchase contract. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,495. The subject's assessment reflects a market value of \$84,950 or \$73.74 per square foot of living area, land included, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.25 of a mile from the subject. The comparables have varying degrees of similarity to the subject in dwelling size, age, site size, and features and sold from May 2017 to October 2019 for prices ranging from \$70,775 to \$83,000 or from \$65.78 to \$79.81 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2019 for a price of \$68,700. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV of the appeal disclosing the property was sold using a realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 98 days. In further support of the transaction the appellant submitted a copy of a settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$68,700 as of January 1, 2019. Since market value has been determined the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
