

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Kladis
DOCKET NO.: 19-53833.001-R-1
PARCEL NO.: 02-26-301-032-0000

The parties of record before the Property Tax Appeal Board are John Kladis, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,033
IMPR.: \$47,167
TOTAL: \$51,200

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a four-year-old, two-story dwelling of frame construction. Features of the home include a full basement, central air conditioning, and a three-car garage. The property has a 11,525 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation and assessment inequity as the bases of the appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing the subject property was purchased on March 23, 2017 for a price of \$512,000. The appellant also submitted information on four suggested equity comparables. Those properties range: in age from 7 to 32-years-old; in size from 2,596 to 3,547 per square feet of living area; and in improvement assessment from \$13.50 to \$14.00 per square foot of living area. In addition, the appellant argued the correct improvement size of the subject is 3,215 square feet of living area.

In support of this proposition, the appellant submitted drawings of the subject property. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$50,958.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,800. The subject has an improvement assessment of \$56,767 or \$15.15 per square foot of living area based on 3,747 square feet of area. The subject's assessment reflects a market value of \$608,000, when using the 2019 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on comparable #3. Those comparables range: in age from 21 to 34-years-old; in size from 2,160 to 2,848 per square feet of living area; and in improvement assessment of \$15.90 to \$16.96 per square feet of living area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the appellant submitted sufficient evidence to establish that the subject has an improvement size of 3,215 square feet of living area.

The Board finds the best evidence of market value to be the purchase of the subject property in March, 2017 for a price of \$512,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$512,000 as of January 1, 2019. Since market value has been determined the 2019 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2). After a reduction in the assessment, the Board finds the subject property to be equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
