

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Derrick Jones
DOCKET NO.: 19-53926.001-R-1
PARCEL NO.: 33-31-119-011-0000

The parties of record before the Property Tax Appeal Board are Derrick Jones, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,814
IMPR.: \$6,554
TOTAL: \$8,368

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 16-year-old, two-story, single-family dwelling of frame construction with 2,044 square feet of living area. Features of the dwelling include a concrete slab foundation, one and one-half baths, central air conditioning, and a two-car garage. The property has a 9,072 square foot site and is located in Sauk Village, Bloom Township, Cook County. The property is a class 2-78 under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the prior year under docket number 18-49167.001-R-1 should be carried forward to the 2019 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). In that appeal, the Property Tax Appeal Board (PTAB) rendered a decision to carry forward a prior year's PTAB decision under docket number 17-42734.001-R-1 that lowered the subject's total assessment to \$8,368. The appellant asserted the subject property is

an owner-occupied residence and the 2019 tax year is within the same general assessment period. Based on the evidence, the appellant requested the subject's total assessment for the 2019 tax year be reduced to reflect the 2018 PTAB decision of \$8,368.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,762. The subject property has an improvement assessment of \$12,721 or \$6.22 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables which are similar in most features to the subject property. The board of review also disclosed that 2020 was the beginning of the subject's general assessment cycle. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant requested that the assessment of the subject property as established by the Property Tax Appeal Board for the 2018 tax year should be carried forward to the 2019 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2018 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2018 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2018 and 2019 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
