

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kelly Custer
DOCKET NO.: 19-54183.001-R-1
PARCEL NO.: 28-23-429-029-0000

The parties of record before the Property Tax Appeal Board are Kelly Custer, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,745
IMPR.: \$1,255
TOTAL: \$3,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,470 square feet of living area. The dwelling was constructed in 1958. Features of the home include a concrete slab foundation, one bath and a one-car garage. The property has a 9,975 square foot site and is located in Markham, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales that have the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings that range in size from 1,292 to 1,617 square feet of living area. The dwellings were constructed from 1956 to 1960. The comparables each have 1 or 2.5 baths and a 1-car, 1.5-car or 2-car garage. The sales occurred from January to November 2019 for prices ranging from \$15,000 to

\$32,000 or from \$9.28 to \$24.77 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,274. The subject's assessment reflects a market value of \$62,740 or \$42.68 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four equity comparables that do not address the appellant's overvaluation argument. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appellant's comparables which have varying degrees of similarity to the subject in location, site size, age, dwelling size, and features. The properties sold from January to November 2019 for prices ranging from \$15,000 to \$32,000 or from \$9.28 to \$24.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$62,740 or \$42.68 per square foot of living area, including land, which falls above the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is excessive and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
