

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dusanka Mrksic
DOCKET NO.: 19-54206.001-R-1
PARCEL NO.: 27-02-108-016-0000

The parties of record before the Property Tax Appeal Board are Dusanka Mrksic, the appellant(s), by attorney Dora Cornelio, of Schmidt, Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,692
IMPR.: \$24,030
TOTAL: \$28,722

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 46-year-old, two-story, residence of masonry construction with 2,267 square feet of living area. Features of the home include two full bathrooms, one half-bathroom, central air conditioning, one fireplace, and a two-car garage. The property has an 11,040 square foot site located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparables. Each of the comparable properties were improved with a two-story residence of either frame, masonry, or frame and masonry construction. In Section II of the appeal form, the appellant stated that the subject is not owner-occupied. Based on this evidence, the appellant requested a reduction in the

subject's assessment to \$22,503. The appellant also submitted a copied of the Final Administrative Decision of the Illinois Property Tax Appeal Board reflecting a total assessment for the subject property for the 2017 tax year of \$22,503.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,722. The subject property has an improvement assessment of \$24,030, or \$10.60 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables. Each are improved with a two-story residence of either masonry or frame and masonry construction. In addition, the Board of Review submitted information that the subject property sold in December of 2018 for \$290,000.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Board for tax year 2017 should be carried forward to the instant tax year pursuant to section 16-185 of the Property Tax Code. When a contention of law is raised, the burden of proof is a preponderance of the evidence. 5 ILCS 100/10-15. The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted on that basis.

The Board finds that the assessment as established by the Board for tax year 2017 should not be carried forward to the instant tax year as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which *a residence occupied by the owner* is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, *unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value* for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board finds that the subject is not owner-occupied based on the appellant's statement in Section II of the appeal form. In addition, the Board notes that the board of review submitted evidence that the subject property sold in 2018 for a price of \$290,000. Therefore, the Board finds that the appellant has not proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the

similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #4 and board of review comparables #1, #2, and #3. These comparables had improvement assessments that ranged from \$7.42 to \$12.49 per square foot of living area. The subject's improvement assessment of \$10.60 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant has not demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
