**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2019. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of five condominium units and five deeded parking spaces with a 100.00% total ownership interest in the common elements. The property is located in West Chicago Township, Cook County. The subject units are all classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a condominium analysis showing that two units in the subject's building, or 14.84% of ownership in the common elements, sold together in April 2018 for an aggregate price of \$470,000. This analysis included two of the subject units. The appellant deducted 10.00% from the aggregate sale price to account for personal property. The aggregate sales price, less the personal property deduction, was then divided by the percentage of ownership interest in the common elements of the units sold to arrive at a total market value for the building of \$3,008,761.

The subject property was the subject matter of an appeal before the Board in 2018 under docket number 18-42960. In that appeal, the Board rendered a decision lowering the subject's assessment to \$285,501. The appellant requests that the subject's assessment for tax year 2018 as determined by the Board be carried forward to the instant tax year of 2019 based on section 16-185 of the Property Tax Code. In Section II of the appeal form, the appellant stated that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$285,501.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$297,207. The subject's assessment reflects a market value of \$2,972,070 when applying the 2019 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

The board of review did not submit any evidence in support of the subject's current assessment.

### **Conclusion of Law**

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Board for tax year 2018 should be carried forward to the instant tax year pursuant to section 16-185 of the Property Tax Code. When a contention of law is raised, the burden of proof is a preponderance of the evidence. 5 ILCS 100/10-15. The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the assessment as established by the Board for tax year 2018 should be carried forward to the instant tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes official notice that it issued a decision lowering the subject's assessment for tax year 2018 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2018 and the instant tax year of 2019 are in the same general assessment period for West Chicago Township. Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(1). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction after the Board's 2018 decision, or that the Board's 2018 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2018 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
