

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matt Collins
DOCKET NO.: 19-55062.001-R-1
PARCEL NO.: 13-22-434-032-0000

The parties of record before the Property Tax Appeal Board are Matt Collins, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,800
IMPR.: \$13,308
TOTAL: \$20,108

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,250 square foot parcel of land improved with a 108-year old, two-story, masonry, multi-family dwelling containing 2,608 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and assessment inequity as the bases of the appeal. In support of the market value argument, the appellant submitted a copy of the master statement which disclosed the purchase of the subject on March 9, 2017 for \$201,075. The appellant submitted a 2017 sales ratio document.

In support of the equity argument, the appellant submitted five comparables. The comparables are described as two-story, masonry or frame, multi-family dwellings. They range: in age from

98 to 116 years; in size from 2,272 to 3,397 square feet of building area; and in improvement assessment from \$7.89 to \$8.77 per square foot of building area.

The board of review submitted did not submit any evidence in support of the current assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in March 2017 for a price of \$201,075. The appellant submitted evidence of the sale of the subject. The board of review did not challenge the sale or the arm's-length nature of the transaction and, in fact, included the sale of the subject in March 2017. Based on this record the Board finds the subject property had a market value of \$201,075 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. After this reduction, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
