

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Al Phillips
DOCKET NO.: 19-55063.001-R-1
PARCEL NO.: 14-17-120-025-0000

The parties of record before the Property Tax Appeal Board are Al Phillips, the appellant, by attorney Thomas J. Thorson of Raila & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,000
IMPR.: \$32,000
TOTAL: \$80,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a favorable 2018 Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and part two-story mixed-use building of masonry exterior construction with 11,099 square feet of building area. The building that was constructed in 1913 and is approximately 106 years old. Features of the building include a concrete slab foundation,¹ commercial garage with two overhead doors on the ground floor and a loft apartment on the second floor. The property has a 10,000 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$720,000 as January 1, 2018. The appellant also submitted a copy of the decision issued by the Property

¹ The subject property's foundation type and property classification are found in the board of review evidence.

Tax Appeal Board involving the subject property for the prior tax year in Docket Number 18-34227 reducing the subject's assessment to \$80,000 based on an agreement of the parties, where the same appraisal evidence was utilized that was also filed in this 2019 appeal. The appellant further disclosed the subject property is not an owner-occupied residence. The appellant requested the subject's total assessment be reduced to \$80,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$100,000. The subject's assessment reflects a market value of \$1,000,000 or \$90.10 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review did not submit any evidence to support the subject's assessment, but rather asserted it had no objection to the appellant's "Rollover request."²

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record is the appraisal submitted by the appellant. The Property Tax Appeal Board further finds from its analysis of the record that the evidence submitted by the appellant in this appeal is no different from the 2018 tax year (Docket Number 18-34227) in which the parties reached an agreement reducing the assessment of the subject property to \$80,000.

In conclusion, since no new evidence was presented by the appellant to warrant a change from the 2018 tax year decision, the Board finds that the assessment as established in the 2018 appeal is appropriate and a reduction in the subject's assessment is justified.

² The appellant disclosed the subject property is not an owner-occupied dwelling. Thus the Board finds the subject property is not entitled to a "rollover" pursuant to section 16-185 of the Property Tax Code.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
