

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Adelstein
DOCKET NO.: 19-55096.001-R-1
PARCEL NO.: 14-20-422-042-0000

The parties of record before the Property Tax Appeal Board are Brian Adelstein, the appellant, by attorney Richard Shapiro in Evanston, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,840
IMPR.: \$103,622
TOTAL: \$123,462

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling of frame and brick exterior construction with 3,585 square feet of living area. The dwelling is approximately 137 years old. Features of the property include a crawl space foundation, central air conditioning, three fireplaces and a two-car garage. The property has a 3,125 square foot site and is located in Chicago, Lake View Township, Cook County.

The appellant marked recent appraisal as the basis of the appeal and requested that the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2018 tax year should be carried forward to the 2019 tax year. The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior tax year under Docket Number 18-29043.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$123,462 based on an agreement of the parties. The

appellant also submitted an appraisal estimating the subject property had a market value of \$1,100,000 as of March 21, 2018.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$127,109. The subject's assessment reflects a market value of \$1,271,090 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

The board of review acknowledged the appeal was filed as a "rollover" pursuant to Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) based on the decision issued by the Property Tax Appeal Board in Docket No. 18-29043.001-R-1. The board of review further disclosed that 2018 was the first year of the general assessment cycle and no township equalization factor was applied by county assessment officials. The board of review had no objection to the rollover request.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2018 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2018 and 2019 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that no township equalization factor was applied in 2019. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
