

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gallery Square LP
DOCKET NO.: 19-55170.001-R-1
PARCEL NO.: 17-21-313-001-0000

The parties of record before the Property Tax Appeal Board are Gallery Square LP, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,875
IMPR.: \$31,483
TOTAL: \$37,358

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story multi-family building of masonry exterior construction with 3,360 square feet of building area. The building is approximately 150 years old. Features of the building include an unfinished basement, three full bathrooms, and a 2-car garage. The property has a 2,500 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. Although the appellant's counsel did not mark contention of law on the appeal petition, counsel indicated the appeal was filed based on a reduction in the previous year's assessment per Section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant's evidence disclosed the subject property was the subject matter of an appeal before the Property Tax

Appeal Board the prior year under Docket Number 18-47423. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$32,501 based upon an agreement of the parties. The appellant's appeal petition indicated the property is not owner-occupied.

In support of the assessment inequity argument, the appellant submitted information on four equity comparables located in the subject's assessment neighborhood code. The comparables are improved with class 2-11 buildings of frame or masonry exterior construction ranging in size from 3,358 to 3,416 square of building area. The comparables range in age from 110 to 131 years old. Two comparables each have a basement with one finished with an apartment and two comparables each have a concrete slab foundation. Each comparable has three full bathrooms and one comparable also has one half bathroom. Two comparables each a 1-car or a 2-car garage. These properties have improvement assessments ranging from \$22,501 to \$23,406 or from \$6.70 to \$6.88 per square foot of building area. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$32,501 with an improvement assessment of \$26,626 or \$7.92 per square foot of building area.

The appellant's submission did not include a copy of the "Cook County Board of Review" final decision for tax year 2019.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,358. The subject property has an improvement assessment of \$31,483 or \$9.37 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the subject's assessment neighborhood code. The comparables are improved with 2-story class 2-11 buildings of frame, masonry, or frame and masonry exterior construction ranging in size from 3,510 to 3,742 square of building area. The comparables are either 129 or 130 years old. Three comparables each have a basement with one finished with an apartment and one comparable has a concrete slab foundation. One comparable has a 1.5-car garage. These properties have improvement assessments ranging from \$36,926 to \$40,379 or from \$10.24 to \$11.12 per square foot of building area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

In written rebuttal, the appellant reiterated their request to have the 2018 PTAB decision "roller over" to the 2019 tax year.

Conclusion of Law

The appellant, in part, raised a contention of law requesting the assessment of the subject property as established by the Property Tax Appeal Board for the 2018 tax year should be carried forward to the 2019 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185. When a contention of law is raised the burden of proof is a preponderance of the evidence. See (5 ILCS 100/10-15). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted. Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in pertinent part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence **occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period** as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. [Emphasis added.]

The Board finds the appellant's contention of law argument is without merit. The appeal form indicates the subject property is not owner-occupied which is one of the requirements for a "rollover" under Section 16-185 to occur.

Alternatively, the taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparables submitted by the parties to support their respective positions. The Board gives less weight to the appellant's comparables #2 and #3 as well as board of review comparables #1, #2, and #4 due to differences when compared to the subject in basement foundation, central air conditioning, and/or garage amenity.

The Board finds the best evidence of assessment equity to be the parties' three remaining comparables which are overall more similar to the subject in age, building size, and most features. The most similar comparables have improvement assessments ranging from \$22,887 to \$38,332 or from \$6.70 to \$10.24 per square foot of building area. The subject's reported improvement assessment of \$31,483 or \$9.37 per square foot of building area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
