

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Cherry  
DOCKET NO.: 19-55437.001-R-1  
PARCEL NO.: 13-25-216-044-0000

The parties of record before the Property Tax Appeal Board are Peter Cherry, the appellant(s), by attorney Anthony Lewis, of the Law Offices of Gary H. Smith in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 8,550  
**IMPR.:** \$ 18,450  
**TOTAL:** \$ 27,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) after receiving a favorable decision from the Property Tax Appeal Board (the "Board") in the prior year. The instant appeal challenges the assessment for tax year 2019. The Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

**Findings of Fact**

The subject consists of a one-story multi-family dwelling of frame construction with 1,322 square feet of living area. The dwelling is 123 years old. Features of the home include a full finished basement and a one and one-half-car garage. The property's site is 3,000 square feet, and it is located in West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on November 20, 2017 for a price of \$270,000. In Section II of the appeal form, the appellant stated that the subject is not owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$27,000.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$32,546. The subject’s assessment reflects a market value of \$325,460 when applying the 2019 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from November 2017 to December 2019 for \$424,000 to \$435,000, or \$258.33 to \$287.70 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject’s assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in November 2017 for a price of \$270,000. The appellant provided evidence demonstrating that the sale had the elements of an arm’s-length transaction, including disclosing that the parties to the transaction were not related, the property was sold by the owner, and it was advertised for sale on the open market word of mouth. In further support of the transaction, the appellant submitted a copy of the deed, the real estate sale contract, the printout from the Cook County Recorder of Deeds’ website, and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject is overvalued. The Board finds the subject property had a market value of \$270,000 as of January 1, 2019. Since market value has been established, the 2019 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
