

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roody & Emeline Pierre
DOCKET NO.: 19-55495.001-R-1
PARCEL NO.: 21-31-113-020-0000

The parties of record before the Property Tax Appeal Board are Roody & Emeline Pierre, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,125
IMPR.: \$275
TOTAL: \$3,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with 1,176 square feet of living area of frame exterior construction. The dwelling was constructed in 1899 and has a basement. The property has a 3,125 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within 0.62 of a mile from the subject. The parcels range in size from 3,000 to 3,225 square feet of land area and are improved with 2-story homes of frame or masonry exterior construction ranging in size from 1,280 to 1,418 square feet of living area. The dwellings were built from 1891 to 1904. Each home has a basement, one of which has finished area. The comparables sold from April 2018 to

April 2019 for prices ranging from \$32,599 to \$50,000 or from \$25.47 to \$36.58 per square foot of living area, including land. Based on this evidence the appellants requested a reduction in the subject's assessment to \$3,400.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,762. The subject's assessment reflects a market value of \$127,620 or \$108.52 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on three comparable sales¹ located within 0.25 of a mile from the subject. The parcels range in size from 4,340 to 4,687 square feet of land area and are improved with 2-story, Class 2-05 homes of masonry exterior construction with 1,849 square feet of living area. The dwellings are 66 or 67 years old. Each home has a basement, one of which has finished area, and one home has a 2-car garage. The comparables sold from April 2016 to March 2019 for prices ranging from \$32,500 to \$130,390 or from \$17.58 to \$70.52 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellants argued the board of review's comparables differ from the subject in age, garage amenity, and/or dwelling size, two comparables sold in 2016, and comparable #1 is located almost 2 miles from the subject.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables, which sold less proximate in time to the assessment date and/or differ substantially from the subject in dwelling size and age. The Board finds the best evidence of market value to be appellants' comparables, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and features. These comparables sold for prices ranging from \$32,599 to \$50,000 or from \$25.47 to \$36.58 per square foot of living area, including land. The subject's assessment reflects a market value of \$127,620 or \$108.52 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment commensurate with the appellants' request is justified.

¹ The board of review presented a fourth comparable for which no sales data was provided.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
