

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Konstantinos Floros
DOCKET NO.: 19-55523.001-R-1
PARCEL NO.: 16-24-207-028-0000

The parties of record before the Property Tax Appeal Board are Konstantinos Floros, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,671
IMPR.: \$9,536
TOTAL: \$13,207

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a favorable decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 130-year old, three-story, three unit residential building of masonry exterior construction with 2,646 square feet of living area. The property has a 3,125 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood. The comparables consist of class 2-11 dwellings of masonry or frame exterior construction ranging in size from 2,124 to 2,559 square feet of living area. The homes are either 120 or 127 years old. Three comparables each have a basement with one having an apartment and one comparable has a concrete slab foundation. Two comparables each have a

one-car garage. The parcels range in size from 3,000 to 3,976 square feet of land area. The comparables sold from September 2017 to September 2018 for prices ranging from \$18,000 to \$90,000 or from \$7.03 to \$42.37 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,207. The subject's assessment reflects a market value of \$132,070 or \$49.91 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood. The comparables consist of two-story or three-story class 2-11 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 2,334 to 2,820 square feet of living area. The dwellings are 105 to 120 years old. Two comparables have central air conditioning, two comparables each have a basement, two comparables have concrete slab foundations, and two comparables each have either a one-car or two-car garage. The parcels contain either 3,125 or 3,150 square feet of land area. The comparables sold from January to November 2018 for prices ranging from \$1 to \$275,000 or from \$0.00 to \$109.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #1 and board of review comparables #2 and #4, which appear to be outliers based on their much higher or lower sale prices compared to other sales in the record. The Board also gives reduced weight to appellant comparables #3 and #4, which differ from the subject in dwelling size. Additionally, appellant comparable #3 sold less proximate to the January 1, 2019 assessment date at issue than other comparables in the record.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and board of review comparable sales #1 and #3, which sold proximate to the assessment date at issue and are similar to the subject in age, dwelling size, and some features. These most similar comparables sold from September to November 2018 for prices ranging from \$70,000 to \$177,500 or from \$29.51 to \$76.05 per square foot of living area, including land. The subject's assessment reflects a market value of \$132,070 or \$49.91 per square foot of living area, including land, which is within the range established by the best comparable sales in this record.

Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
