

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: New Midwest Rentals LLC
DOCKET NO.: 19-55768.001-R-1
PARCEL NO.: 25-08-307-103-0000

The parties of record before the Property Tax Appeal Board are New Midwest Rentals LLC, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,375
IMPR.: \$12,398
TOTAL: \$15,773

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,008 square feet of living area. The dwelling is approximately 57 years old and features a concrete slab foundation.¹ The property has a 4,500 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story, Class 2-03 homes of frame exterior construction ranging

¹ The parties differ regarding the subject's foundation. The Board finds the best evidence of foundation type is found in the board of review's evidence, which was not refuted by the appellant.

in size from 1,012 to 1,145 square feet of living area. The dwellings range in age from 100 to 129 years old. Each home has a basement, two of which are finished with a recreation room and two of which are finished with an apartment. One home has a fireplace and four homes have a 1-car, a 1.5-car, or a 2-car garage. The comparables have improvement assessments ranging from \$6,403 to \$7,935 or from \$6.05 to \$7.42 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,773. The subject property has an improvement assessment of \$12,398 or \$12.30 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story, Class 2-03 homes of frame or masonry exterior construction ranging in size from 1,040 to 1,248 square feet of living area. The dwellings range in age from 53 to 58 years old. Two homes have a concrete slab foundation and two homes have a basement, one of which is finished with a recreation room. Two homes each have a 1-car garage. The comparables have improvement assessments ranging from \$14,549 to \$15,882 or from \$11.66 to \$14.71 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables, due to substantial differences from the subject in age. The Board also gives less weight to the board of review's comparable #1, which is substantially larger home than the subject. The Board finds the best evidence of assessment equity to be the board of review's comparables #2, #3, and #4, which are similar to the subject in dwelling size, age, location, and some features, although two comparables each have a basement unlike the subject and one comparable has a garage unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$15,251 to \$15,882 or from \$13.44 to \$14.71 per square foot of living area. The subject's improvement assessment of \$12,398 or \$12.30 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
