

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jashmin Mayberry
DOCKET NO.: 19-56182.001-R-1
PARCEL NO.: 31-10-200-116-1037

The parties of record before the Property Tax Appeal Board are Jashmin Mayberry, the appellant(s), by attorney Nicholas T. McIntyre, of Much Shelist, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,317
IMPR.: \$3,533
TOTAL: \$4,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The subject property consists of a 28-year-old condominium unit located in a 124 residential condominium complex. The complex is situated on a parcel of land containing approximately 475,980 square feet. The property is located in Country Club Hills, Rich Township, Cook County and is classified as class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

Findings of Fact

The subject property consists of a 28-year-old condominium unit located in a 124 residential condominium complex. The subject has 1,000 square feet of living area. The complex is situated on a parcel of land containing approximately 475,980 square feet. The property is located in Country Club Hills, Rich Township, Cook County and is classified as class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a master statement and Multiple Listing Sheet disclosing the subject property was purchased on January 9, 2017, for a price of \$48,500. The appellant's evidence indicated that there was a realtor involved in the transaction and the sale was not due to a foreclosure action.

Based upon this evidence, the appellant requested a reduction in the subject's total assessment to \$4,850 to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,446. The subject's assessment reflects a market value of \$64,460 or \$64.46 per square foot of living area, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted its Condominium Analysis Results for 2023. This document included sales data from eighteen units in the same building as the subject that sold between 2021 and 2023.

Conclusion of Law

When market value is the basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); *Winnebago County Bd. of Review v. Property Tax Appeal Bd.*, 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The appellant presented evidence that the subject property was sold on January 1, 2017, for a price of \$48,500. The appellant filled out Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related, the property was sold by a realtor, and the property had been advertised on the open market for 104 days. The appellant also disclosed that the sale was not a foreclosure sale. The appellant submitted a copy of the settlement statement from the transaction.

The Board's task in this case is to determine the correct assessment of the subject property. *See* 35 ILCS 200/16-180. Under Illinois law, real property must be valued at its fair cash value, meaning the price that would be paid for it at a fair, voluntary sale where the buyer and seller are both ready, willing, and able to buy and sell, but neither is compelled to do so. *Bd of Educ of Meridian Community School Dist. No. 223 v. Ill. Property Tax Appeal Bd.*, 2011 IL App (2d) 100068, ¶ 36. A contemporaneous sale of the subject property between parties dealing at arms-length is practically conclusive on the issue of whether an assessment reflected the fair cash market value of the property. *Gateway-Walden LLC v. Pappas*, 2018 IL App (1st) 162714, ¶ 33. The Board finds that the best evidence of the subject's market value is the January 1, 2017, sale of the subject for \$48,500. The appellant's representations about the sale indicate that it was an arm's length transaction, and the board of review presented no evidence refuting any of those representations. Based on this record the Board finds the subject property had a market value of \$48,500 as of January 1, 2018. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
