

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Bogdala  
DOCKET NO.: 20-00044.001-R-1  
PARCEL NO.: 04-16-202-033

The parties of record before the Property Tax Appeal Board are William Bogdala, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,832  
**IMPR.:** \$61,743  
**TOTAL:** \$71,575

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 1,618 square feet of living area constructed in 1986. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 1,080 square foot garage. The property has an approximately 21,080 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from 0.50 of a mile to 1.10 miles from the subject property. The comparables have sites that range in size from 15,920 to 102,800 square feet of land area and are improved with one-story dwellings of wood siding exterior construction that range in size from 1,836 to 2,160 square feet of living area. The dwellings were built from 1980 to 1992. Each comparable has an unfinished basement, central

air conditioning and a garage with either 576 or 600 square feet of building area. Two comparables have either one or two fireplaces. The properties sold from June 2018 to February 2020 for prices ranging from \$185,000 to \$228,000 or from \$94.71 to \$111.17 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$59,527 which reflects a market value of \$178,599 or \$110.38 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,575. The subject's assessment reflects a market value of \$215,005 or \$132.88 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for DuPage County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.60 of a mile to 3.02 miles from the subject property. The comparables have sites that range in size from 10,260 to 393,120 square feet of land area and are improved with one-story or bi-level dwellings of wood siding exterior construction that range in size from 1,380 to 1,794 square feet of living area. The homes were built from 1975 to 2007. Four comparables have an unfinished basement and one comparable has a lower level with finished area. Four comparables have central air conditioning and either one or two fireplaces. Each comparable has one or two garages ranging in size from 440 to 836 square feet of building area. The properties sold from June 2019 to July 2020 for prices ranging from \$258,000 to \$500,000 or from \$158.39 to \$287.03 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 which are located more than one mile from the subject, differ from the subject in site size and/or sold in 2018, less proximate to the January 1, 2020 assessment date at issue than other comparables in the record. The Board gives less weight to board of review comparables #1, #2, #4 and #5 which are located more than one mile from the subject, differ in design, have a substantially larger site size and/or differ in age when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable #4 and board of review comparable #3 which are more similar to the subject in location, age, design, dwelling size and other features. These properties sold in April and June 2019 for prices of \$185,000 and \$265,000 or for \$100.76 and \$192.03 per square foot of living area, including land, respectively.

The subject's assessment reflects a market value of \$215,005 or \$132.88 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
