

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hank Bogdala
DOCKET NO.: 20-00045.001-R-1
PARCEL NO.: 04-09-104-005

The parties of record before the Property Tax Appeal Board are Henry Bogdala, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,308
IMPR.: \$64,114
TOTAL: \$73,422

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,896 square feet of living area that was constructed in 1990. Features of the home include an unfinished basement, central air conditioning, one fireplace, an attached 651 square foot garage and a detached 576 square foot garage. The property has an approximately 18,530 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.15 of a mile to 1.20 miles from the subject property. The comparables have sites that range in size from 12,750 to 40,080 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 1,760 to 2,718 square feet of living area. The dwellings were built from 1986 to 2006. Each comparable has an unfinished basement, central

air conditioning and an attached garage ranging in size from 400 to 801 square feet of building area. Comparable #3 also has a detached 320 square foot garage. Two comparables each have one fireplace. The properties sold from October 2018 to December 2019 for prices ranging from \$157,000 to \$215,000 or from \$79.10 to \$89.20 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$60,427 which reflects a market value of \$181,299 or \$95.62 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,422. The subject's assessment reflects a market value of \$220,553 or \$116.33 per square foot of living area, land included, when using the 2020 three-year average median level of assessment for Lake County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.08 of a mile to 1.16 miles from the subject property. The comparables have sites that range in size from 9,210 to 18,730 square feet of land area and are improved with one-story or two-story dwellings of wood siding exterior construction that range in size from 1,728 to 2,178 square feet of living area. The homes were built from 1987 to 1996. Four comparables have an unfinished basement and one property has a concrete slab foundation. Each comparable has central air conditioning, one fireplace and an attached garage ranging in size from 456 to 973 square feet of building area. The properties sold from May 2019 to October 2020 for prices ranging from \$221,000 to \$243,500 or from \$106.98 to \$133.50 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 along with board of review comparables #2 and #5 which differ from the subject in location, design, age, dwelling size, foundation type, and/or sold in 2018, less proximate in time to the January 1, 2020 assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the remaining four comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from December 2019 to October 2020 for prices ranging from \$208,000 to \$243,500 or from \$87.36 to \$133.50 per square foot of living area, including land. The subject's assessment reflects a market value of \$220,553 or \$116.33 per square foot of living area, including land, which falls within the range established by the best comparable sales in this

record. After considering appropriate adjustments to the comparables for differences from the subject, such as the subject's attached and detached garages, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
