

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Srdjan Petrovic  
DOCKET NO.: 20-00070.001-R-1  
PARCEL NO.: 06-05-304-019

The parties of record before the Property Tax Appeal Board are Srdjan Petrovic, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,204  
**IMPR.:** \$97,408  
**TOTAL:** \$115,612

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story dwelling of wood siding exterior construction containing 3,165 square feet of living area. The dwelling was built in 2008. Features of the home include an unfinished full basement, central air conditioning, one fireplace and an attached garage with 693 square feet of building area. The property has a 15,050 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables improved with two-story dwellings with wood siding exteriors ranging in size from 3,136 to 3,189 square feet of living area. The homes were constructed from 2006 to 2010. Each comparable has an unfinished basement, central air conditioning, one fireplace and an attached garage ranging in size from 696 to 706 square feet of building area. Each comparable has the

same assessment neighborhood code as the subject property. The comparables have improvement assessments ranging from \$84,487 to \$95,113 or from \$26.80 to \$29.83 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$91,785.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$115,612. The subject property has an improvement assessment of \$97,408 or \$30.78 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables improved with two-story dwellings with wood siding exteriors ranging in size from 3,000 to 3,614 square feet of living area. The homes were constructed from 2006 to 2012. Each comparable has a basement (with three having finished area), central air conditioning, one fireplace and an attached garage ranging in size from 440 to 696 square feet of building area. Each comparable has the same assessment neighborhood code as the subject property. The comparables have improvement assessments ranging from \$92,741 to \$98,735 or from \$27.29 to \$31.13 per square foot of living area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparables submitted by the parties that are similar to the property in location, style, and age. The Board gives less weight to board of review comparables #2, #3 and #4 as these comparables have finished basement area unlike the subject property and comparable #2 is significantly larger than the subject dwelling. The Board finds the best evidence of assessment equity to be the appellant's comparables and board of review comparables #1 and #5. These comparables have improvement assessments ranging from \$84,487 to \$97,791 or from \$26.80 to \$31.13 per square foot of living area. The subject's improvement assessment of \$97,408 or \$30.78 per square foot of living area falls within the range established by the best comparables in this record.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill. 2d 395 (1960). Although the comparables presented by the parties disclosed that properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which exists on the basis of the evidence in this record.

Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
