

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Baoguo Jiang
DOCKET NO.: 20-00203.001-R-1
PARCEL NO.: 03-27-101-003

The parties of record before the Property Tax Appeal Board are Baoguo Jiang, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,367
IMPR.: \$165,935
TOTAL: \$195,302

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2020 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,479 square feet of living area. The dwelling was constructed in 2004 and is approximately 16 years old. Features of the home include an unfinished full basement, central air conditioning, two fireplaces and an attached garage with 913 square feet of building area. The property has an approximate 45,740 square foot site and is located in Wadsworth, Newport Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject and within .20 of a mile from the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,901 to 4,855 square feet of living area.

The homes range in age from 18 to 21 years old. Each comparable has an unfinished full basement, central air conditioning, two or four fireplaces, and an attached garage ranging in size from 748 to 1,211 square feet of building area. The comparables have improvement assessments ranging from \$112,987 to \$163,636 or from \$28.96 to \$34.02 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$145,455 or \$32.48 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,302. The subject property has an improvement assessment of \$165,935 or \$37.05 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on six equity comparables located in the same assessment neighborhood code as the subject property and within .36 mile from the subject property. The board of review submitted two grid analyses with five comparables on the first grid and one comparable on the second grid. The comparable on the second grid will be renumbered as comparable #6. The comparables area improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 3,737 to 4,482 square feet of living area. The homes were built from 2001 to 2006. Each comparable has a full unfinished basement, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 859 to 1,028 square feet of building area. Comparables #2, #3, #4, #5 and #6 also each have a wood deck or plastic liner pool. The comparables have improvement assessments ranging from \$144,130 to \$171,651 or from \$34.43 to \$38.47 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparables submitted by the parties to support their respective positions. The Board gives less weight to the appellant's comparable #1 and board of review comparable #6 due to their smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are relatively similar to the subject in location, design, age, dwelling size, and other features. These comparables have improvement assessments that range from \$144,130 to \$171,651 or from \$33.17 to \$38.47 per square foot of living area. The subject's improvement assessment of \$165,935 or \$37.05 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant

did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
